The Artillery Board is constantly making practical surveys, so far as these relate to the army, and the establishment of adequate military protection of our seaboard is receiving strong endorsement. Meanwhile there is a means of defence from greater physical calamity, and that is the use of Hostetter's Stomach Bitters, which by restoring the tone of the nerves and stomach, invigorates the entire system.—It also prevents malarial, kidney and rheumatic ailments, and cures biliousness and constipation. Sick poison is a poison which makes you sick. It comes from the stomach. The stomach makes it out of undigested food. The blood gets it, and taints the whole body with it. That's the way of it. The way to be rid of it is to look after your digestion.

If your food is all properly digested, there will be none left in the stomach to make sick poison out of.

If your stomach is too weak to see to this properly by itself, help it along with a few doses of Shaker Digestive Cordial.

That's the cure of it.

Shaker Digestive Cordial is a delicious, healthful, tonic cordial, made of pure medicinal plants, herbs and wine.

It positively cures indigestion, and prevents the formation of sick poison.

At druggists. Trial bottles, 10 cents.

FREE ADVICE TO MEN.

It is rather early to talk about spring clothing, but just want to put you on your guard. Jefferson county is chuck full of so-called tailors to the trade. Grocery stores, blacksmiths and even railroad agents are in the business. The whole thing in a nut shell is, that they are taking orders for ready made clothing, and the man that places his order with them is paying from three to five dollars more for a suit of ready-made clothes than he could have had made to order for at C. E. Keininger's. He is raising suits to order from \$13.00 up, and pants from \$3.50 up. Beware of the sweatshop agents and see Keininger's assortments of the latest novelties in suitings before you buy.

A MISTAKEN IDEA.

Some people think everything in a Jewelry Store is expensive, but a visit to our store would convince you otherwise. This season we have devoted much of our space to a line of goods of a useful and durable kind, some of which would be entertaining for Holiday gifts. We kindly ask permission to show you a few, but would especially remind you to make this visit at once to

WE CALL IT A STREAK OF LUCK

That we were so fortunate as to be present at the Forced Sale of Mattings several weeks ago in New York. The auctioneer had orders to sell at once, no matter what the price was. We bought liberally, and for this month only we are going to offer you some SPECIAL BARGAINS. Prices are lower than they have ever been. But, remember the prices here quoted are only

GOOD UNTIL APRIL 1ST.

Our present stock won't last any longer. If you are not quite ready for them come in and pick them out, make a payment on them, and they will be held for you until you need them.

A MISTAKEN IDEA.

Some people think everything in a Jewelry Store is expensive, but a visit to our store would convince you otherwise. This season we have devoted much of our space to a line of goods of a useful and durable kind, some of which would be entertaining for Holiday gifts. We kindly ask permission to show you a few, but would especially remind you to make this visit at once to
